

AMGA Speakers' Bureau

All speakers in the AMGA Speakers' Bureau listing are Certified Master Gardeners. In accordance with AMGA Bylaws, they cannot accept remuneration except for out-of-pocket expenses; however, local Master Gardener Associations or civic groups hosting a MG speaker may make a donation to the speaker's local MGA or to a related botanical, horticultural, or environmental organization in the speaker's name and reimburse out of pocket expenses in accordance with local bylaws.

Local Associations and civic and public organizations interested in booking speakers listed below should contact them directly. Speakers can accept requests at their own discretion. Local MGAs and organizations might also consider ACES agents and other individuals with particular expertise as presenters.

*A proprietary list of aids in conducting efficient and effective meetings, recording minutes, and writing emails appears at the end of the presentation catalog.

The Bureau Speakers' list is alphabetized by local MGA name and periodically updated.

Legend for specifics: AC = Advanced Certification in the topic; T = will travel at least 1 hour; Z = can present on Zoom; LL = will present at Lunch and Learn.
