_____ Total Number Ordered

You may complete this interactive form on your computer, save it to your computer and email it to Reach for the Stars Program Coordinator Billy McDaniel at AMGASTars@gmail.com.

Beginning in the calendar year 2025, covering the 2024 award period, the AMGA will now pay the cost of the stars earned in the Reach for the Stars program. This is a direct benefit of your state membership. This does not include duplicate stars. Please order only the number of stars your members have earned. As usual, any MG association has the option to recycle stars if it chooses to do so.
